Minutes of the Kirk Smeaton Parish Council Open Forum held on Tuesday 1st May 2018.

1. Present:

Jayne Cooper; Elaine Bartlett; Tricia Storey (Councillors)

9 members of the public were in attendance

2. Cllr Bartlett opened the meeting to the public for questions or concerns.

3. Public Questions and Concerns

- The parishioners present were extremely concerned about the level of fly tipping in our Villages. Documentary evidence was produced and shown to the Council together with the registration number of a Van, photographed tipping in daylight. The fly tipping down Long Lane is an on-going issue which needs to be dealt with urgently. A concerned resident has emailed and suggested security cameras be purchased and placed in relevant spots. Discussion followed. Cllr Storey offered to take a lead on this issue and will contact Selby Council and other interested parties as soon as possible.
- Discussion took place regarding a person sleeping rough in Brockadale. The meeting was informed that the Police had been informed. It was agreed that the *Clerk* make further enquiries and feed back to the Council.

The Open Meeting closed at 19:50 and was followed by the Parish Council Annual Meeting.
